

O Little Town of Bethlehem

98 Degrees

O little town of Bethlehem
How still we see thee lie
Above thy deep and dreamless sleep
The silent stars go by
Yet in thy dark streets shineth
The everlasting Light
The hopes and fears of all the years
Are met with thee tonight

For Christ is born of Mary
And gathered all above
While mortals sleep, the angels keep
Their watch of wondering love
O morning stars together
Proclaim the holy birth
And praises sing to God the King
And peace to men on earth

Hallelujah to the King
Every heart receives Him in
Hallelujah angels sing
Christ is born
Hallelujah to the King
Every heart receives Him in
Hallelujah angels sing
Christ is born

O holy Child of Bethlehem
Descend to us, we pray
Cast out our sin and enter in
Be born to us today
We hear the Christmas angels
The great glad tidings tell
O come to us, abide with us
Our Lord Emmanuel

Hallelujah to the King
Every heart receives Him in
Hallelujah angels sing
Christ is born
Hallelujah to the King
Every heart receives Him in
Hallelujah angels sing
Christ is born
