

## Please Come Home For Christmas

98 Degrees

Bells will be ringing this sad sad news  
Oh, what a Christmas to have the blues  
My baby's gone, and I have no friends  
To wish me greetings once again

Choirs will be singing "Silent Night"  
Christmas carols by candlelight  
Please come home for Christmas  
Please come home for Christmas  
If not for Christmas by New Years night

Friends and relations send salutations  
Sure as the stars shine above  
But this is Christmas, yes, Christmas, my dear  
The time of year to be with the ones you love

So won't you tell me you'll never more roam  
Christmas and New Years will find you home  
There'll be no more sorrow, no grief and pain  
And I'll be happy, woah, so happy once again

Oh, there'll be no more sorrow, no grief and pain  
And I'll be happy, Christmas once again

I'm so alone...  
Please come home...
