

Silent Night

98 Degrees

Silent night, holy night,
All is calm, all is bright
Round yon virgin mother and child.
Holy infant so tender and mild,
Sleep in heavenly peace.
Sleep in heavenly peace.

Silent night, holy night,
Shepherds quake at the sight,
Glories stream from heaven afar,
Heavely hosts sing alleluia;
Christ the Saviour is born!
Christ the Saviour is born!

Peace, joy and love
Were sent to all of us
From heaven, up above
To every man, woman, boy and girl
To all God's children all around the world
It's our hope that your dreams may come true
Like ours have, thanks to all of you
Now we have just one more wish
That you all remember this
The true meaning of Christmas
Christ the Saviour is born,
Christ the Saviour is born
