

Tremble

98 Degrees

I'm not a fan of the quiet
I stay away from the things that make me
Think about how you and I got
To a place where you don't come around here anymore
And I wish that I didn't think about this anymore
I swear that I try, I try to forget, but

I remember younger days when you were close to me
Long before we gave up sayin' we tried everything
And most days I'm so busy that it can creep up on me
But when the night gets quiet, oh, sometimes it causes me to

Tremble
Tremble, tremble
Tremble, tremble, I
Tremble, tremble
Tremble, sometimes it causes me to tremble
Tremble, tremble
Tremble
Tremble, tremble, I
Tremble
Tremble, tremble
Yeah
Tremble, tremble

You were always the wisest
If ever I did need somebody
You were right there beside me, it's
Such a shame that you don't come around here anymore
Damn, I wish that I didn't feel about this anymore
I swear that I try, I try to forget, but

I remember younger days when you were close to me
You were close to me
Long before we gave up sayin' we tried everything
We tried everything
And most days I'm so busy that it can creep up on me
But when the night gets quiet, oh, sometimes it causes me to

Tremble
Tremble, tremble
Tremble, tremble, I
Tremble
Tremble, tremble
Tremble
Sometimes it causes me to tremble
Tremble, tremble
Tremble, tremble, I
Tremble, tremble
Tremble, tremble, I

But if it has to stay familiar
If it has to stay familiar
If I have to be reminded of the way it used to be
I'll just hold on to the sacred
Hold on
'Cause it's the only you

Only you
That I wanna see
That I wanna see, yeah

I remember younger days when you were close to me
Long before we gave up sayin' we tried everything
And most days I'm so busy that it can creep up on me
But when the night gets quiet, oh, sometimes it causes me to

Tremble, I can't help but tremble, baby
Tremble, tremble
I'm tremblin' for you
Tremble, tremble, I
Tremble, tremble
I can't help but tremble, baby
Sometimes it causes me to tremble
Tremble, tremble
I'm tremblin' for you
Tremble, tremble, I
Tremble, tremble
I can't help but tremble, baby
Sometimes it causes me to tremble

Tremble, tremble
I can't help but tremble, baby
Tremble, tremble, I
I'm tremblin' for you
Tremble, tremble
I can't help but tremble, baby
Yeah, yeah-yeah-yeah-yeah-yeah
Don't know what I can do

You were right there beside me
It's such a shame that you don't come around here anymore
