You know I was talkin' to Sam and I was like
Yo, when we goin' to LA next, man?

And he was like –
"Yo we tryna work it out, maybe in a couple weeks."

I was like –
If we can get back... the top of October, that would be perfect
.

Obviously, it's like whenever...
You know, you guys are... doing your thing and da-da-da...

You know what I mean? But...

I'm just thinkin', 'cause nigga...
I – you know I could track the "LEAVE ME" verse and the end of.
..

Ah – ah you know, push comes to shove
I'll do the "LEAVE ME" verse here – I-I'll figure it out...

But I kinda wanna be... with y'all when I do that.
You know what I mean? Like...

I don't know –
Just have that same element we had makin' the rest of 'em. Um..
.

But... YEAH

I won't leave, I won't leave, I won't leave you the way that I
found you
I built a love that surrounds you...

I won't leave, I won't leave, I won't leave you the way that I
found you
I built a love that surrounds you...
