

# INFINITY

99 Neighbors

You gon' be alright as long as you with me  
You and me till infinity  
You could have it good if you were by my side  
Talking every night, 365, yeah whoa  
I can't wait forever till you notice me  
Big love for you shorty, I could show you things  
If I'm outta sight then I'll be outta mind  
And girl that just ain't right, yeah

That ain't right, you know  
Bentley truck on parked outside, you know  
I'll change your life, you know  
Please girl don't go switching sides, you know  
You know what I need  
I'll be your somebody if you'll do that for me  
Just let me know that you can stay by my side  
If it's on your mind little baby, say what you mean  
Your best friends stay picking up  
Tom Ford, top floor, baby you know that I get it up  
I think I found love yeah  
I think I found the one yeah  
I take you back to the crib, walk through the city  
I put you on game long as you with me, I do it again  
Facetime  
Get it girl, ass up, face down, you know know  
Oh you freak shorty  
Fly you out from LAX to H town, yeah  
And I know what you need  
Be my forever, can you do that for me? Yeah  
Can you give me a sign?  
I'm on your mind little baby, say what you mean  
I get you right girl, don't keep me waiting  
I'm kinda sauced in, you drive me crazy  
Go get it girl, I see you bought that new Mercedes  
She good on her own

You gon' be alright as long as you with me  
You and me till infinity  
You could have it good if you were by my side  
Talking every night, 365, yeah whoa
