Mayweather, you can catch us 'fore we stick and move (Bruh)
Great job, they work and they paid off (Huh? Yeah)
But I can quit my day grind and move out of my state, ya

See, this the mushed mouth, hash smokin', rap slinging slasher (What?)
Chipped tooth bastard, dropped acid with a pastor (Huh?)
Microphone master, catch up, don't make me act up
My talent too immaculate, fuck all your favorite rappers (Ayy)

I'm ballin' out, but on a budget (Okay)
If I cop this pair of Forces, I'ma have to skip that luncheon, um (Okay)
