Some say this and some say that
some say that the 99 Posse can't rap,
while we are chilling in the crib counting out our stack.
no time for player haters cos we aint looking back.
Some say this and some say that
and some say the Spacepolice crew can't chat,
while we are chilling in the crib counting out our stack,

Chella si ce stà na cosa
ca i' nun riesco a supputà
chella è 'a mmiria e só 'e mmeriuse
a peggia ggenta ca ce stà
passano tutto 'o santo iuorno
a ddicere malignità
ncuollo a chi le va bbona coccosa
e ncapa a lloro nun s' 'o mmerita
pecché nisciuno se mmerita niente
a fora 'e lloro naturalmente
ca 'o riesto simmo tutte quante
na vrancata 'e fetiente
'e pezziente arriccute, 'e vennute,
'e drogate e chi più ne ha più ne metta
tanto ccà simmo abbituate,
ma - strunzo! A tté e a chi nun t' 'o ddice,
sì strunzo, strunzo e pirciò nun truove pace
e come a ttutt' 'e strunze 'e mmerda
'o vvaie truvanno a ll'ate
Ma io accetto ogni critica
da chi tiene un progetto
e non da chi passa la vita
a sognar di mangiare nel mio piatto:
"pecchè facimmo 'e dische
vuie 'e vennite e nnuie no?
E pecché a mmé mmiez'à via
nisciuno me cerca ll'autografo?"
Pecché sì favezo
e soprattutto sì strunzo!

dice sulamente strunzate
Ma che sparle a ffà

'E sorde me fanno schifo
più o meno quanto schifo a tté,
te fete malamente 'o sciato
percio' non ti avvicinare a me
Zelluso, mmeriuso,
miette 'a capa int'ò pertuso
ca po vene 'o scarrafone

a tté te roseca 'o mellone
comme t'abbrucia 'o capocchione
