

9th Chamber

9th Prince

The 9th chamber, you get trapped it's not the hallway
The 9th chamber, you get trapped it's not the hallway
The 9th chamber, you get trapped it's not the hallway
The 9th chamber, you get trapped it's not the hallway

Hey yo, bullet proof know... so side is a message for all crooks
Got your baby father scared to look
Police investigating my last shugs
My... blood of my enemies, to remedy
To fell like Gucci rap on a symphony
Remember me, the New York city showing to pity
One a glitty, I gets busy like the Sicilians of Sicily
Sniffing at snow white, got you hyper smash I might never a fight
Get a the spotlight and crack one pipe
It's a cold world, don't get caught up in the blizzard
My imagination is vivid like my Angelo but futuristic
My white poetry that paid the streets
Without a fresh... my life is still complete
I'm on a technique when I freak the beat
Smoke the green leaf to shoot at the peace
For a link... not the prince and not forever in these streets

The 9th chamber, you get trapped it's not the hallway
The 9th chamber, you get trapped it's not the hallway
The 9th chamber, you get trapped it's not the hallway
The 9th chamber, you get trapped it's not the hallway

Hey yo, pistol mac and c's get chopping in too
Darely close side I knows, provoke... to have a stroke
Tipple and chuckles live at the f**ker slim dunk on you suckers
Tell Rihanna I wanna f**k her
Strawberry sour tissue, living... lethal, never had the measles
Ride... like baby seal, yeah, here to save the people
Here so emasculin, like Vin Diesel,
See me lava stage for Delo
Rocking polo, chest down like bubble smacking mc's for promo
Ask Hale Berry who parked the chevy a hundred course on the stand and
now the fevy
Rappers gospel but never do a song with Mary Mary
Put competition into submission, black criss has visions
Create daddy flow written on the... and makes some fire cell sell dis
ciples
With the Bible, throw some winners... on a...
And your body on the ice down cross since you like the floss
Long live the cross knight curse the boss
You won't be able to defeat the 9th prince

The 9th chamber, you get trapped it's not the hallway
The 9th chamber, you get trapped it's not the hallway
The 9th chamber, you get trapped it's not the hallway
The 9th chamber, you get trapped it's not the hallway.
