A Broken Silence

VERSE 1

He wasn't born to privilege, but he was born to scrimmage, realised t
o this
world, there was more than image, knew to succeed, you must ignore yo
ur
critics, loved his music, but deplored the business, now, you can sel
l your
soul and get scores of riches, but in the end result, you'll be torn
and
twisted, lived to the fullest, thought he saw his limits, stayed on h
is
principles, was to hardcore to pivot, living to rhyme, but later driv

changed, at the blink of an eye, when he mentioned, 'I just got to do
a
thing for this guy' said, 'I'm choked' looking at his kid, flat broke
, five
years down the track, wish he hid, that dope, his pops always spoke a
bout
not mixing with bad folk, now they pulled him from a river, just to g
ive
him a tagged toe.

CHORUS

Rob for the money, steal for the money, man I got to get them dollar

for my honey, should I rob for the money, steal for the money, do dea
