I can't always understand
Everything you say
You're always smiling
But you look so lonely

Don't hold in your tears
It's alright, you and me
Put down your burdens
Just for a little bit, you hear me

Can you feel my voice
Toward you?
If it's not too late
I hope my heart reaches you

Times I endured alone
Tell me I did a good job for each day, my star

Whenever something is up
But you feel like no one knows
You endured several times
You endured until now
When you want to give up

Thoughts keep growing
Words keep cutting you
And you ask yourself
Who is this even for?

Think about it, snap out of it
Don't be shaken by words
Who is this even for?
So make a stronger promise to yourself

Can you feel my voice
Toward you?
If it's not too late
I hope my heart reaches you

Times I endured alone
Tell me I did a good job for each day, my star

I believe that happiness comes in little doses
I always told myself but it's not always easy
The only place I can breathe is you
I want you to stay

Can you feel my voice
Toward you?
If it's not too late
If my heart completely reaches you
I don't know exactly what to say
But will I be able to tell you?
This is me
