

Anymore

A.C.E

Iksukaji ana nae moseup
Bieojin jari next to you
Oh for you

Honjain bami eosaekae
Siganeul dollyeo straight to you
Oh for you

But is it too late to call you?
'Cause I'm already halfway to your house

We gave this up too easily
So here I stand just down the street
From your door, from your door
No, I don't wanna hold back anymore

And I can't live with this regret
So here I stand just 14 steps
From your door, from your door
No, I don't wanna hold back anymore

Eotteoke da jeonhalkka
Neul nae gyeote all the time

Seoro ppunideon you and I
I'm already out, wanna see you tonight

Nan yaksokae no, I'm not wasting my time
Ije neowa na yeah, the stars align

But my heart's already broken
And my heart wants what it wants so tell me

Is it too late to call you?
'Cause I'm already halfway to your house

We gave this up too easily
So here I stand just down the street
From your door, from your door
No, I don't wanna hold back anymore

And I can't live with this regret
So here I stand just 14 steps
From your door, from your door
No, I don't wanna hold back anymore
No, anymore, no

We gave this up too easily
So here I stand just down the street
From your door, from your door
No, I don't wanna hold back anymore
