CACTUS

A.C.E

Zoobeater Sound
You can't stop the beat

Don't wanna wait no more
I'm burning inside
Feel like I'm running (With nowhere to go)
Somebody help me out
No one here to hear my cries
Feel like I'm alone and I'm all dried up
Storms breaking up my mind

The more that I fall
The more that I grow
Too late to back away now
I give it my all, so like it or not
I'm gonna shine, it's my time
On and on and on and on
I keep my hands in the dirt
Through all the lonely lonely night
Through the storm, I hold my ground
So come and find me, I'll be right here
Just say the words and I'm on my way
Through all the pain, I won't let go

I'm running for your love
It keeps me going on
I'm begging for one touch
Come fill me up
Don't leave me out to dry
Please hold me, hold me tight
My broken thorns and all
(Give me a sign and I, I will survive)
Can't knock me out
Or ever break me down
'Cause I'm a cactus
I'm a cactus, cause I'm a cactus

My drive, my grind
My pride keeps my head above the ground
It's something they can't touch
Going all in and do or die
I'm in for the win on the dice
Stacking my chips all the way to the top
We're here, we're bringing the noise
So where you at, CHOICE?
I'm thinking it's about that time

They want me to fall
But I'mma stand tall
Keep my head up to the sky
I give it my all, so like it or not
I'm gonna shine, it's my time
On and on and on and on
I keep my hands in the dirt
Through all the lonely lonely night
Through the storm, I hold my ground
So come and find me, ain't going nowhere

Just say the words and I'm on my way
Through all the pain, I won't let go

I'm running for your love
It keeps me going on
I'm begging for one touch
Come fill me up
Don't leave me out to dry
Please hold me, hold me tight
My broken thorns and all
(Give me a sign and I, I will survive)
Can't knock me out
Or ever break me down
Cause I'm a cactus
I'm a cactus, cause I'm a cactus
