□□ □□□□ callin'

Feels like someone
Is looking for me
I keep hearing a desperate voice
From somewhere

Strangely, my body keeps pounding
Is this a heart fluttering feeling that I've never felt before?
Why does my heart ache all of a sudden?
Every moment, I was wrapped up with anxiety and fear

Now open your eyes, don't hide anymore
You came this far
So spread your wings now
And shine brightly on the world

I'll be your unchanging trust (baby)
Woo wherever you are, call my name
So I can feel you (baby)
So I can win over all of this (call me)
I'll protect you, I'll protect you
No matter what anyone says
Right now, in me
There is a dream
Whenever, wherever, callin'
I'll answer you, callin'
Whenever, wherever, callin'

My emotions
Had dried up
I forgot I even had tears
My heart was colored blue

Why is this happening? My confused and sad views
And slowly changing, without knowing
I didn't realize that I was changing

But I saw my reflection in the mirror and realized it was me

Now open your eyes, don't hide anymore
You came this far
So spread your wings now
And shine brightly on the world

I'll be your unchanging trust (baby)
Woo wherever you are, call my name
So I can feel you (baby)
So I can win over all of this (call me)
I'll protect you, I'll protect you
No matter what anyone says
Right now, in me
There is a dream
Whenever, wherever, callin'

I'll answer you, callin' baby
If only I could be at least a little strength to you

Yo callin'
I'll never step back so trust me
There's no need
To turn things back
So hold my hand and we'll go up high
Just like this

I'll be your only trust (baby)
Woo wherever you are, call my name
So I can feel you (baby)
So I can win over all of this (call me)
I'll protect you, I'll protect you
No matter what anyone says
Right now, in me
There is a dream
Whenever, wherever, callin'
I'll answer you, callin'
Whenever, wherever, callin'
