

# Hope

A.C.T

Surrounded by family and friends  
A picture what life's like at your end  
In my dreams i cannot imagine  
The horror you must have seen  
If I could tell these words to you  
I know that probably it won't do  
I try to give some comforting but  
I don't know what do  
One thing is for sure  
I will be there for you

Hope is the last thing you cannot give up  
Faith keeps us strong through it all

To all of you out there who have lost  
We cannot predict what it will cost  
Listen your parents or your children  
Too much to comprehend  
I feel a constant need to help  
What more than money can be sent?  
Where will I find the words of comfort  
I don't know what to do  
One thing is for sure  
I will be there for you

Hope is the last thing you cannot give up  
Faith keeps us strong through it all

Can anybody please tell me what it's about  
Helpless people dying, I just wanna shout  
Is this something you are trusted to really see  
I see no solution, so what can it be?

Hope is the last thing you cannot give up  
Faith keeps us strong through it all  
X 2

Faith keeps us  
Faith keeps us strong through it all
