Hot 'til She Talks

A Change of Pace

I met a girl once at a party
By 2 AM she's throwing up out back
She spends her weekends out in 10 feet
How could I ever trust a girl like that
She calls me early in the morning
I like to sleep at least til 3 or 4
She thinks the third up line is boring
I've met a thousand girls like her before

She is hot til' she talks and she trips when she walks
she bitches a lot yeah shes not what I thought
she always tries too hard, she'll never get that far shes obnox
ious

Shes always wearing things she shouldn't
She thinks that shes the coolest girl I know
She tried to move away but couldn't
I'm hoping Arizona lets her go
All of her friends know she ain't quiet
After a couple drinks she won't shut up
She said she's sober I don't buy it
She doesn't get it that i've had enough

She is hot til' she talks and she trips when she walks
she bitches a lot yeah shes not what I thought
she always tries too hard, she'll never get that far shes obnox
ious

She is hot til' she talks and she trips when she walks
she bitches a lot yeah shes not what I thought
she always tries too hard (shes obnoxious) she'll never get tha
t far shes obnoxious

She is hot til' she talks and she trips when she walks
