

# The First Time We Ever Met

## A Change of Pace

There's something more, then something less  
Yeah, it's never obvious  
Cause when I think about you,  
It's like the first time  
You've seen my worst  
I've seen your best  
It's never been as obvious  
As when I think about the first time  
We ever met

(Just like the first time)  
She's got that temper,  
But I've got that tender way to say  
That we've got a problem  
Cause we know eachother all too well,  
But what a contadiction  
We always say we did it to ourselves  
But when I'm not with you,  
I can think of nothin' else  
(Ohhh!)

It's something more, then something less  
Yeah, it's never obvious  
Cause when I think about you,  
It's like the first time  
You've seen my worst  
I've seen your best  
It's never been as obvious  
As when I think about the first time  
We ever met

(Just like the first time)  
Everything's quiet  
When there's a thousand things to say  
But dear, I don't buy it  
Cause I'm daring bottoms  
??  
We always say we did it to ourselves  
But when I'm not with you,  
I can think of nothin' else  
(Ohhh!)

It's something more, then something less  
Yeah, it's never obvious  
Cause when I think about you,  
It's like the first time  
You've seen my worst  
I've seen your best  
It's never been as obvious  
As when I think about the first time  
We ever met

It always comes back to that first time (the first time)  
When every glass came with a sigh  
And every boy told me to try  
The timing never seemed to go right (go right)  
Cause how could my love ever help,

When I barley know myself  
(Ohhh!)

It's something more, then something less  
Yeah, it's never obvious  
Cause when I think about you,  
It's like the first time  
You've seen my worst  
I've seen your best  
It's never been as obvious  
As when I think about the first time  
Ohhh,

It's something more, then something less  
Yeah, it's never obvious  
Cause when I think about you,  
It's like the first time  
You've seen my worst  
I've seen your best  
It's never been as obvious  
As when I think about the first time  
We ever met
