

## Empty Space

A Common Year

And all I wanted this to be was simple,  
But matters of heart never are.  
And all I am is just a face,  
An empty space that I fill up with mortal thoughts.

But who are you to say that I've lost my way?  
That I'll never change,  
Now, not so fast.

The TV's on,  
I'm half awake,  
But I can't sleep from all this knocking in my head,  
That I can't stop.  
And that reflection that I see,  
It isn't me.  
It's just a kid who's trying.

Who are you to say that I've lost my way?  
That I'll never change,  
Now, not so fast.  
And who are you to say that I've lost my way?  
That I'll never change,  
Now, not so fast.

Grow up too fast, people don't change.  
Just cover up, just rearrange.  
I'm finding out a lot this year,  
What I could be if I shake this fear.

But who are you to say that I've lost my way?  
That I'll never change,  
Now, not so fast  
And who are you to say that I've lost my way?  
That I'll never change,  
Now, not so fast.  
Now, not so fast.  
Now, not so fast.
