A Day to Remember

You're runnin' your mouth when I'm not around
You gotta spit it out, spit it out
Come on and burn that gasoline
Right in front of me
You're either in or you're out
In or you're out

If I wanna hear your feedback, feedback
I'll let you know
When I wanna hear your feedback, feedback
Let 'er go, let 'er
G-g-g-go

Down the dial with your switchblade smile
'Cause you've hit a nerve, hit a nerve
Struck a chord, I don't play no more
Little drama queen, karma king

If I wanna hear your feedback, feedback
I'll let you know
When I wanna hear your feedback, feedback
Let 'er go
If I wanna hear your feedback, feedback
I'll let you know
When I wanna hear your feedback, feedback
Let 'er go

Liar
Won't let you down easy
Liar
Say you don't mean it
Liar
Better find another scene
Take a one way trip where the black top leads
Peace
You fuck

If I wanna hear your feedback, feedback
I'll let you know (I'll let you know)
When I wanna hear your feedback, feedback
Let 'er go (Just let 'er go)
If I wanna hear your feedback, feedback
I'll let you know (I'll let you know)
When I wanna hear your feedback, feedback
Let 'er go

If I want your feedback
I'll let you know motherfucker
