

F.Y.M.

A Day to Remember

I sit and wait
Countin' the minutes
Just like yesterday
Trackin' my miracle
It must be runnin' late
It read returned to sender
I can't catch a break
Doin' my same old same

Luck don't let me down
'Cause I've paid my dues in spades
Double or nothin' now

Ooooo
Wait'll I get some fuck you money
Ooooo
Wait'll I get some fuck you money

I'd leave today
I'd change my number
Wouldn't hesitate
And y'all can tell the boss, "Fuck you, I resignate"
Auto reply permanently on holiday
Take me off your chain

Luck don't let me down
'Cause I've paid my dues in spades
Double or nothin' now

Ooooo
Wait'll I get some fuck you money
Ooooo
Wait'll I get, wait'll I get some
Ooooo
Wait'll I get some fuck you money
Ooooo
Wait'll I get some fuck you money

Wait'll I get some fuck you money
Ooooo
Wait'll I get, wait'll I get
Get, get, get

Ooooo
Wait'll I get some fuck you money
Ooooo
Wait'll I get, wait'll I get some
