

Come On, Come Out

A Fine Frenzy

Come on, come out, the weather is warm
Come on, come out, said come on, come on
A spot in the shade where oranges fall
The spot in the shade away from it all

Watching the sky, you're watching a painting
Coming to life shifting and shaping
Staying inside, it all goes, all goes by

A blanket unfolds, a blanket to lie
The pieces of gold, they light up your eyes
And now we're alone and now we're alive

Watching the sky, you're watching a painting
Coming to life shifting and shaping
Staying inside, it all goes, all goes, all goes, all goes by

Stopping the time, the rush and the waiting
Leave it behind shifting and shaping
Keep it inside, it all goes, all goes, all goes, all goes by

It all goes passing by
It all goes passing by
Come on

Watching the sky, watching a painting
Coming to life shifting and shaping
Staying inside, it all goes, all goes, all goes, all goes by

Stopping the time, the rush and the waiting
Leave it behind shifting and shaping
Keep it inside, it all goes, all goes by

Come on, come out
Come on, come out
