

# How Could You Ever Leave Me

A Flock of Seagulls

I don't want to be alone  
I don't want to be alone  
Don't want to spend the rest of my days  
Searching through the lost and found

So, I don't understand (understand)  
You could just let it go (just let it go)  
When I reach out my hand (reach out my hand)  
How could you ever leave me so low  
Leave me so low

I don't want to be your fool  
I don't want to wear your jester's crown  
I just want to make love to you  
But you never come around

So, I don't understand (understand)  
How you could just let it go (just let it go)  
When I reached out my hand (reach out my hand)  
How could you ever leave me

So low, so low, so low  
So low, so low, so low  
So low, so low, so low  
So low, so low, so low

So, I don't understand (understand)  
You could just let it go (just let it go)  
When I reach out my hand (reach out my hand)  
How could you ever leave me so low  
Leave me so low  
So low

So, I don't understand  
How could you ever leave me (so low)  
No, I don't understand (so low)  
How you could just let go (so low)

So, I don't understand  
How could you ever leave me  
No, I don't understand  
How you could just let go (so low)
