

Come On

A Great Big World

I wanna be a thought inside your mind
I wanna see the starlight through your eyes
What's it like?

Drive underneath the night you'll be the glow
No matter where we are, it feels like home
Say it's so
Say you'll go with me tonight

Come on, move in just a little closer
Come on, show me what it's like
Come on, don't wait 'til the moment's over
Come on

Time suspended in slow motion, not a sound
Walking on a wire above the ground
Don't look down
And say you'll go with me tonight

Come on, move in just a little closer
Come on, show me what it's like
Come on, don't wait till the moment's over
Come on

Oh, show me what I don't know
Show me how to let go
I've been waiting
