You'll Be Okay

A Great Big World

You'll be okay You'll be okay The sun will rise To better days

And change will come It's on it's way Just close your eyes And let it rain

'Cause you're never alone I will always be there You just carry on You will understand

You'll be okay You'll be okay Just look inside You know the way

Let it go Fly away And say goodbye To yesterday

'Cause you're never alone And I will always be there You just carry on You will understand

And I will be strong When love is gone I'll carry on...

You'll be okay You'll be okay The sun will rise To better days

You'll be okay You'll be okay Just close your eyes And let it rain

When you need it the most
And all you've got is a prayer
You must carry on
You will understand
You will understand
You will understand

You'll be okay You'll be okay You'll be okay.
