

Dear Dream

A\$H.

Every night when I go to sleep.
Close my eyes and it's you I see.
See you oh so vividly.
All I want is you here with me.

Cause baby, you got what I need.
Oh baby, you got what I need.

Take it all just don't take your time.
Cause it's been quite a while since I got mine.
Yes I want it, I won't lie.
Please, I promise, it's my last try.

Cause baby you got what I need.
Oh baby, you got what I need

All I want is, all I see.
And if you're not mine then why'd you come to me

No regrets, no apologies.
Love affair between you and me.
But I don't care what nobody thinks.
Cause all I want is all I can see.

And baby, you got what I need.
Oh baby, you got what I need.

And all I want is, all I see.
But if you're not mine, then why'd you come to me.
Cause I'm your lover and you're my dream,
but if you're not mine, then why the hell'd you wanna come to m

I wish I didn't care so much about you, but I do
