A\$H.

What if we
Tried again
Could we be
Better friends

You should know
How I feel
I love you
Always will

Will you please
Hear me out
You're the one
Without a doubt

So let me know
Take it slow
Easy come
Easy go

Go go go
Go go go
Just go

Go go go
Go go go
Just go

Leave the past
Leave the last
Where we go
No need to ask

To the moon
Sing a tune
With the stars
Play air guitar

Make a wish
Say a prayer
Dare to dream
Dream to dare

So let me know
Take it slow
Easy come
Easy go

Go go go
Go go go
Just go

Go go go
Go go go
Just go

Go go go

Go go go
Just go

Go go go
Go go go
Just go
