

## I'm Dope

A\$H.

Man I'm tryna tell these fakers I'm real  
If you didn't know that you're in for a thrill  
Man I'm tryna tell these hoes I'm too bad  
I'm so apropos but they be big mad

We won't let these haters bring us down  
Let them stay on the ground while we go higher  
Man I'm tryna tell these dealers I'm dope  
Keep hanging around I might bring you hope!

Man I'm tryna tell these fans I'm too cool  
That's not even fair 'cause I'm too hot too  
Man I'm tryna tell these fools I'm no joke  
Don't be sleepin' on me people stay woke

We won't let these haters bring us down  
Let them stay on the ground while we go higher  
Man I'm tryna tell these dealers I'm dope  
Keep hanging around I might bring you hope!

Man I'm tryna tell these losers we won  
Nope it's not a game but we still had fun  
Man I'm tryna tell these winners we fam  
Somebody tell those jelly's we jam

We won't let these haters bring us down  
Let them stay on the ground while we go higher  
Never let these haters bring us down  
Let them stay on the ground while we go higher  
Man I'm tryna tell these dealers I'm dope  
Keep hanging around I might bring you hope
