

Know Ya

A\$H.

I wanna get to know ya boy
I wanna get to know ya
I wanna get to know ya boy
I wanna get to know ya

Taking my time, taking my sweet time
You on my mind, yeah you're on my mind
Remember your eyes, remember your eyes
I wanna say hi
Ooh, but I ain't got time
No I ain't got time
I ain't got time
No I ain't got time

I wanna get to know ya boy
I wanna get to know ya
I wanna get to know ya boy
I wanna get to know ya

I wanna get to know ya boy
I wanna get to know ya
I wanna get to know ya boy
I wanna get to know ya
Ooh but I ain't got time
No I ain't got time
No I ain't got time
I ain't got time

Now dance
