

Low Key

A\$H.

Can you keep a secret
Baby between you and me
Can you keep a secret
Baby don't complicate things
It can be so easy breeze
Baby please
Promise me you won't catch feelings
But if we do
Then we must do
What we need too

Can you keep a secret?
Can you keep a secret?
Low key
Can you keep a secret?
Can you keep a secret?
Low key

Can you keep a secret baby this ain't show and tell
Can you keep a secret baby keep it to ourselves
It can be so easy breeze
Baby please
Promise me you won't catch feelings
But if we do
Then we must do
What we need too

Ooo I know you want me
Don't be actin' phony
You should get to know me, and
We can keep it low key
You can pull up on me
Baby you're the only one
Treat me like you own me
Never leave me lonely
Never leave me lonely

Can you keep a secret?
Can you keep a secret?
Low key
Can you keep a secret?
Can you keep a secret?
Low key

Can you keep a secret?
Can you keep a secret?
Low key
Can you keep a secret?
Can you keep a secret?
Low key

Ooo I know you want me
Don't be actin' phony
You should get to know me, and
We can keep it low key
You can pull up on me
Baby you're the only one

Treat me like you own me
Never leave me lonely
Never leave me lonely

Can you keep a secret?
Can you keep a secret?
Low key
Can you keep a secret?
Can you keep a secret?
