

## Numb

A\$H.

This can't be real  
What's the deal  
All these feels  
Still I can't feel, anything

This can't be real  
What's the deal  
All these feels  
Still I can't feel anything

Cause I'm numb  
I know it might sound dumb  
But I'm numb  
I can't be the only one
