

## That's All

A\$H.

I want you to love me and to lux me  
Baby I want all of the finer things  
And I want my piece and your piece baby  
And I promise you can have all of me

I want you to love me and to lux me  
Baby I want all of the finer things  
And I want my piece and your piece baby  
And I promise you can have all of me

I want you to please me everytime  
I want you to please always be mine  
Baby give me everything I see  
And I'll let you get the best of me

I just want it all  
That's all  
That's all  
That's all...

I don't want the Chrysler gimme Bentley  
Be a gentleman talk to me gently  
You can keep your secret give me fenty  
Please don't be so stingy give me plenty  
Please make no mistake, I want the cake boy  
Please don't be a lame, give me the game boy...  
I don't do the lies, that's no surprise boy  
This is what we girls call compromise

I just want it all  
That's all

I just want it all  
That's all  
That's all (this is a stick up)  
That's all  
That's all
