## **Goodbye Thompson**

Goodbye Thompson goodbye I tape the sign to the door Here we pinned all our dreams Now the store is no more

What comes after what was That was once strangely new What awaits up ahead For me and you?

Goodbye Thompson Goodbye Thompson Goodbye Thompson Goodbye Goodbye Thompson Goodbye

Goodbye Thompson Goodbye This space is for rent See me head hanging low All my energies spent

What comes after what was That was once strangely new What awaits up ahead I wish I knew

Goodbye Thompson Goodbye Thompson Goodbye Thompson Goodbye Goodbye Thompson Goodbye

What comes after what was That was once strangely new What awaits up ahead For me and you

Goodbye Thompson Goodbye Thompson Goodbye Thompson Goodbye Thompson
