

## Keeper of the Flame

a-ha

Give it up for rock'n roll  
Give it up for rock  
Give it up for how it made you feel

Give it up for vinyl days  
Kicking back from school  
Turning out to make it real sweet

Give it up for rock'nroll  
Give it up for bob  
Give it up for how it made you see

Give it up for silvertone  
Give it up for golden  
Adolescent daydreams

Incidental incidents  
Instrumental instruments  
A plan evolves too grand to entertain

Monumental monuments  
Sentimental sentiments  
You could've been the keeper of the flame

Incidental incidents  
Instrumental instruments  
Swallowed by the place from which you came

Monumental monuments  
Sentimental sentiments  
You should've been the keeper of the flame

Give it up for summer days  
Laying in the grass  
Everything is happening in your head  
You raise your fist up in the air  
Clench your teeth and say  
Four more years and I'm outa here

Give it up  
Give it up  
Give it up  
Four more years and I am outa here!
