The shadowside You say I have Is making everything Go bad

You say I don't
Care enough
For all the things that
I have got

But I do And I will

I don't want to see myself descend Into the shadowside again If you ever let me go again, In the shadowside I'll end

The shadowside
Where I go
I'm never where
I'm needed so

You say I don't
Give enough
That I don't care for
All I've got

But I do And I will

I don't want to see myself descend Into the shadowside again If you're letting go of me again, In the shadowside I'll end
