

# The Living Daylights

a-ha

Hey driver  
Where're we going? I swear my nerves are showing

Set my hopes up way too high  
Living's in the way we die.

Comes the morning and the headlights fade in rain

Of hundred thousand people I'm the one they frame.  
I've been waiting long for one of us to say:  
Save the darkness  
Let it never fade away -  
In the living daylights  
In the living daylights.

Alright  
Hold on tight now  
It's down  
Down to the wire

Set your hopes up way too high  
Living's in the way we die.

Comes the morning and the headlights fade away

Hundred thousand changes  
Everything's the same.  
I've been waiting long for one of us to say:  
Save the darkness  
Let it never fade away -  
In the living daylights  
Living daylights  
Living daylights.

Comes the morning and the headlights fade away

Hundred thousand people  
I'm the one they frame  
In the living daylights  
In the living daylights.
