

13 Wonderful Love Songs

A House

With everyday and every hour in
Everyway it looks like rain
So why don't you come around
Why don't you come around
So we can talk about the rain
We'll find a break in the clouds
A glimmer of hope from what's past
So please won't you come around
Things are dull and overcast
And I need you around

And I will sing you
13 wonderful love songs
13 wonderful love songs
If i had
13 wonderful love songs

Time goes on as time does

Sometimes slow and sometimes fast
How the weeks pass dear
I try to be an enthusiast
I don't know how long I can last
So don't make me beg
Please don't make me beg
Things are worse than they appear
Don't you know how this hurts
Don' you know I can't bear
The thought of you anywhere
But here
And I will sing you
13 wonderful love songs
13 wonderful love songs
If i had
13 wonderful love songs
