

# Here Come the Good Times

A House

Oooooooo!

Oooooooo!

Oooooooo!

It's been a long time since rock and roll  
It all sounds good but it's filled with holes  
It's been a long time since the seventies  
Nowadays everyone's taking themselves too seriously  
So if you believe in make believe  
Then you can make yourself believe in me

Here come the good times  
Here come the good times  
Here come the good times  
For a change  
For a change

It's been a long time since I've heard you laugh  
It's been a long time since I've seen you smile  
It's been a long time since our wide-eyed dreams  
The closer we get to them the less they mean  
It takes a long time for the scars to heal  
Why won't you tell me how you feel

Here come the good times  
Here come the good times  
Here come the good times  
For a change  
For a change

Woooooooooooo!  
Woooooooooooo!  
Woooooooooooo!  
Where have all the good times gone  
Where have they all gone

It's good to see you laugh again  
It's good to see you smile again (Ha! Ha! Ha!)  
It's good to see you laughing one more time

Cos here come the good times  
Here come the good times  
Here come the good times  
For a change  
It makes a nice change

It's good to see you  
It's good to see you smile  
It's good to see you  
It's good to see you laugh  
It's good to see you  
It's good to see you talk  
It's good to see you  
It's good to see you laugh  
It's good to see you smiling one more time  
(Here come the good times)  
For a change for a change  
(Here come the good times)

Merry Christmas baby!  
Here come the good times for a change!
