

Talking

A House

Don't tell me
I don't want to know
So please don't tell me
I can't stand it
All your views on
How life's supposed to be
Chalk and talk
Topped with hypocrisy
Why, why, why, do we try
Why, why, why
Must we insist on

Talking for the sake of talking
Being nice for the sake of being nice
Living for the sake of living
Uptight for the sake of
Nice to see you and me
Get along so wonderfully

Don't tell me
I don't want to know
So please don't tell me
I can't stand it
Shouting over everyone
No one's hearing anything
Talk, talk, big mouth
Get the last word in
Why, why, why do we try
Why, why, why
Do we insist on

Talking for the sake of talking
Being nice for the sake of being nice
Living for the sake of living
Uptight for the sake of
Nice to see you and me
Get along so wonderfully

Here we go again
Talking round in circles
Here we go again
Talking a thin line
You and I prove the
Square peg theory
Goes to show
The shape of things to come

Talking for the sake of talking
Being nice for the sake of being nice
Living for the sake of living
Uptight for the sake of
Nice to see you and me
Get along so wonderfully
