

These Things

A House

These things
These things
Have to be said
As long as I
Have a breath
Left in me
As long as you
Don't believe
That I
Never
Never
Loved you
Ever

That's why these things
These things
Have never been said
I thought that you knew
Now I'm not so sure
And wonder did you
Think that I
Never
Never
Loved you
Ever

That's why these things
These things
These things
Have to be said
