

Sympathy

A Killer's Confession

Oh God, I need you
Oh God, I need you
Oh God, I need you

You said goodbye
Before you say hello
Washed away in a blink of a tear

The emptiness
The loneliness
The center of the void

With this lesson learned
Your voice so clear
I finally heard

On my brightest day
Another shade of black
But this voice that I hear
Calls me back

The emptiness
The loneliness
The center of the void

With this lesson learned
Your voice so clear
I finally heard

With words that I said
The times that I spent
I finally admit
I need you
Oh God, I need you

Now I hear the wind
I hear her calling
Would you please hear my voice?
Oh, I'm calling

This world is a dream
Yet I'm stalling
But I hid it from you
But you never
No, you never stop calling
FOR ME

With this lesson learned
Your voice so clear
I finally heard

With words that I said
The times that I spent
I finally admit
I need you
Oh God, I need you

(I need you)
(I need you)
(Oh God, I need you)
(I need you)
(Oh God, I need you)
