

# Tell Your Soul

## A Killer's Confession

I feel like we really don't know  
Wasting away till it's gone  
The moments in time always fuel the fire  
Watching the Embers alone

And I won't belong to you now  
I feel like it's over so take this down  
Why Am I afraid when I'm wrong  
I don't know  
I don't know  
I don't know

I won't relive our mistakes  
I will be what you've needed  
To face the day  
Now I understand what you think  
It's not your pain  
Don't you think?  
I'm far from wherever you are  
You can't be what you wanted without the scars  
Don't keep all the pain for yourself  
It's Not your fault  
Don't you know  
Tell your soul

I fear that it's all over now  
Standing and waiting too long  
I'm always alone and breaks my heart  
My chains are no fault of your own

And I won't belong to you now  
I feel like it's over so take this down  
Are You afraid when your wrong  
I don't know  
I don't know  
I don't know

I won't relive our mistakes  
I will be what you've needed  
To face the day  
Now I understand what you think  
It's not your pain  
Don't you think?  
I'm far from wherever you are  
You can't be what you wanted without the scars  
Don't keep all the pain for yourself  
It's Not your fault  
Don't you know  
Tell your soul

I'm screaming with passion  
I don't know what's happened  
I'm drifting into the unknown  
I've waited now take it  
You think what you've made me  
A feeling you can't outgrow

I won't relive our mistakes  
I will be what you've needed  
To face the day  
Keep all the pain for yourself  
It's Not your fault  
Don't you know  
Tell your soul
