

Hello Emptiness

A Life Divided

Hello emptiness
Hello sweet caress
Hello loneliness
Hello carelessness

Hello faithfulness
Hello greediness
Hello righteousness
Hello craziness

Hello bitterness
Hello cheering world
Hello gratefulness
Hello dying girl
Hello happiness
Hello crying grey
Hello fearlessness
Hello darkest way

[Chorus]

Hello emptiness
Hello sweet caress
Hello loneliness
Hello carelessness
Hello faithfulness
Hello greediness

Hello righteousness
Hello craziness

A new day's dawning
A new day's dawning
A new day is warning

Hello breathlessness
Hello hatefulness
Hello colourness
Picture of myself
Hello witherness
Hello safety net
Hello conscienceless
Unforgivingness

[Chorus]

A new day's dawning
A new day is warning
There's nothing to lose at all
There's nothing to lose at all
There's nothing to lose at all
