

# Just Nothing

## A Life Divided

I wonder if I'll ever change my ways  
I wonder if I'll ever stay the same  
Will I ever leave this place

Or will I go on wasting days  
Does it matter anyway?

Is there somebody listening to me?

You don't know what it's like to feel  
Something that just can't be real  
You don't know what it's like to feel  
To feel just nothing, just nothing

I wonder if I'll ever join the game  
I wonder if I'll ever move myself  
Will somebody know my name  
And when I'm dead forget my face  
Do I matter anyway?

Is there somebody listening to me?

You don't know what it's like to feel  
Something that just can't be real  
You don't know what it's like to feel  
To feel just nothing, just nothing

I don't know the reason  
Say, can you tell me why?  
I see season after season  
And how they pass me by  
I stopped looking for an answer  
Cause I'm running out of time  
So I try to hurt myself  
Just to know that I'm alive  
I don't see a reason  
And I quit asking why  
I watch season after season  
How days turn into night  
I keep waiting here for nothing  
Cause I no longer mind  
So I try to hurt myself  
Just to know that I'm alive  
(Know that I'm alive  
Know that I'm alive  
Know that I'm alive)

You don't know what it's like to feel  
Something that just can't be real

You don't know what it's like to feel  
To feel just nothing, just nothing
