

## Use Somebody

A Loss for Words

I've been roaming around,  
I was looking down at all I see  
Painted faces fill the places  
I can't reach  
You know that I could use somebody  
You know that I could use somebody

Someone like you and all you know and how you speak  
Countless lovers under cover of the street  
You know that I could use somebody  
You know that I could use somebody  
Someone like you

Off in the night while you live it up I'm off to sleep  
Waging wars to shake the poet and the beat  
I hope it's gonna make you notice  
I hope it's gonna make you notice

Someone like me,  
someone like me  
Someone like me, somebody

I'm ready now

Someone like you, somebody  
Someone like you, somebody  
Someone like you

I've been roaming around, I was looking down at all I see
