

## Eat the Elephant

## A Perfect Circle

Looming, omnipresent  
This task ahead  
This task at hand  
Ominous and daunting  
Crippling undertaking, I'm frozen

Where to begin eludes me  
Without you to remind me

Just take the step  
Just take the swing  
Just take the bite  
Just go all in

Where to begin eludes me  
Ruling ever deeper  
This massive endeavor  
Ominous and daunting  
Crippling undertaking

Just take the step  
Just take the swing  
Just take the bite  
Just go all in

Take the step  
Take the swing  
Take the bite  
Just take the bite

Take the step  
Take the swing  
Take the bite  
Just go all in

Where to begin eludes me  
Without you to remind me  
Just begin
