

## My wallet

A Perfect Circle

I like wallets  
I bought one  
I have no money  
Isn't that fun?

I went to the store  
To buy my wallet  
So I used my money  
To get a whatchamacallit

Wallet!  
Wallet!  
Wallet!  
I got a motherfuckin wallet!

I drove away from the store  
with my wallet and nothing more  
My wallet has no currency  
so now I cant see
