

# Down

A.R. Kane

Down  
stay down  
oh stay down  
just stay down  
little fingers pushing  
little fingers push me over  
little fingers push me  
little fingers push me over  
I can see the skinny trees singing  
I can hear the church bells ringing  
I can see the skinny trees singing  
I can hear the church bells ringing  
oh stay down  
just stay down  
oh stay down  
just stay down  
I'm gonna take you down  
I'm gonna take you down  
down  
stay down  
oh stay down  
just stay down  
down.
