

# Sperm Whale Trip Over

A.R. Kane

Here in my LSdream  
things are always what they seem  
here in my LSdream, in my LSdreaming

and all the shifting shapes  
all changing to grapes  
never making mistakes  
in my LSdream

and all the peoples, and all the fingers  
and all the peoples, and all the fingers  
in my LSdream

and circles buzzing with life  
tip toe, tip toe, tip toe, tip toe  
across my head

in my LSdreaming, oh yeah  
LSdream, in my LSdream, LS, LS...  
LSdreaming
