I don't need no stress
Move calmly with the set
Young nigga mayne
(Feels good to be me)
Young nigga mayne
Rolling up a jet yeah
I don't need no stress yeah
Move calmly with the set yeah, yeah
You don't want no problems
No regrets nah nah

Ran up 50 thousand I just checked
I could pay for anything but not the sex
Rolling up a blunt gimme a sec
I know you tryna get me naked
Dreams of me smoking inside a jet
Talking to the Lord yeah I profess
When I am with my crew I am at my best
Real niggas around me no pretend

Young nigga mayne
Young nigga mayne
Yeah
Yeah, yeah
Rolling up a jet yeah
I don't need no stress yeah
Move calmly with the set yah, yah
You don't want no problems
No regrets nah nah
Yeah
