

BETTER NOW INTERLUDE

A-Reece

Yeah
(Turn me up)
(Turn me up)

The dynasty's forever as long as we pass it down
Do this for the fam, I'd be damned if I let 'em down
Especially after losin' the friends that I had around
Swear to God it's easier losin' a hunnid thou'
Those the type shits tse di mpusetsang morao
So ke avoid'a tshele, ke e tlogela e ntse e le byao
I'd be lyin' if I told you I ain't doin' better now (Yeah)
(Just know I'm doin' better now, nigga, yeah)

Outgrew some niggas that I grew up with
Wonder if I blew up quick
I just couldn't put up with - mistaken assumptions, makin' adju
stments
The frequency interrupted, I couldn't mentally function
Turnin' nothin' to somethin' another conundrum
Couldn't accept the person I'm becomin'
Became envious because I'm lustrous
I know that no good deed goes unpunished
And with you I know that no subtweet goes unpublished
I wasn't fallin' for it, I thought you were far from it
Ventin' out your issues in public all of a sudden
Woulda said I'm victimizin' myself had I done it
The kid's now redundant

All I know is that the dynasty's forever as long as we pass it down
Do this for the fam, I'd be damned if I let 'em down
Especially after losin' the friends that I had around
Swear to God it's easier losin' a hunnid thou'
Those the type shits tse di mpusetsang morao
So ke avoid'a tshele, ke e tlogela e ntse e le byao
I'd be lyin' if I told you I ain't doin' better now nigga
(Just know I'm doin' better now)
